

Novi Memorial Day Virtual Run FAQ

Race information

A virtual run can be run anywhere! Whether it's in Novi or a neighboring community, it's our hope you will take this opportunity to get out and run!

What do you get for registering?

- A custom medal
- A bib
- The net proceeds will go to the Michigan Paralyzed Veterans Association.

Please note the medal and bib will be mailed to you and could come after the race has ended.

What does the Medal and Bib look like?

Results

Please utilize a running app while running your race. Once complete, please take a picture with you and your running app time, and send it to gmorris@cityofnovi.org no later than June 1. Results will be available by June 9 at novimemorialdayrun.com. There are no prizes for top finishers, but you will see how you stack up against the rest of the community!

Additional Questions?

Contact Greg Morris, Recreation Supervisor for the City of Novi, at gmorris@cityofnovi.org or call 248-735-5646.
